Format of the Tournament

- 10 overs per innings.
- Ten (10) players per side are permitted
- Bowler can bowl up to 2 overs maximum per inning
- No power play over and no fielding restrictions
- Total match time: 90 minutes. (40 Minute/inning+10 minutes inning break) ● Super sub is allowed.
    - Teams are required to name their substitute (Super-Sub) player before the toss,
    - The super-sub will replace any player at any point during the game and take over the substituted player's batting and bowling duties and stats in the games.
    - If the player has bowled 1 over Super sub can bowl remaining one (1) over.
    - Once super-sub has entered the game, he cannot be replaced with the substituted player and substituted player cannot re-enter the match.
- Super over will be used to break the tie
- Duckworth Lewis (D/L) will be used for all interrupted matches

Cricket Council
United States of America
